

BEST EVER™

MOSQUITO AND INSECT CONTROL

Green World Path for 45 years has researched and produced BEST EVER™ Mosquito and Insect Controls (BEMIC) with user satisfaction worldwide.

GWP also produces many other organic and natural agriculture inputs.

1. BEMIC is extremely effective in controlling mosquitos and most all other flying and biting insects that cause ZIKA and other human irritations
2. BEMIC is produced using proprietary organic plants natural oils with nano multiple fermentation technology.
3. BEMIC is safe to use inside and outside of homes, restaurants, hospitals, and all other buildings and properties. Also, used effective after storm damages.
4. BEMIC is easy to apply using any pressurized spray equipment including hand held trigger, hose end sprayer, electric cold mist fogger, commercial municipality type trucks driven applicator or by air plane.
5. BEMIC is very cost applied effective. Depending on density of infestation mix 6 to 8 oz. of BEMIC with each 1 gallon of water. Spray affected areas to control infestation, and non-infested for prevention.
6. BEMIC one gallon of prepared product normally will cover inside and perimeter of an average home. Commercial applications depending on infestation, density and commercial equipment used, 5 to 6 gallons of mixed product will treat 1 city sq. block. Depending on density of foliage, and structures. Also, the type of spray equipment used.
7. BEMIC will not contaminate and is safe to apply on or near rivers, streams, crop growing areas, animals, poultry, their housing, corrals, fields, recreational areas and sanctuaries before and after large populated events.
8. BEMIC ingredients are approved by USDA section 25 b as minimal risk in most states and countries. Under this section BEMIC does not require any special or EPA approval.
9. BEMIC is packaged in 5 gal - 55 gal- and 275-gallon containers, shelf life 5 years, shake or agitate BEMIC slightly before using. No special equipment cleaning required rinse with soap and water. Store out of direct sun light.
